Working Harbor Committee's Tugboat Race, a three decades long New York Harbor tradition, is coming to **Brooklyn, October 9!**

Experience tugboats up close as they race across the harbor. Come and cheer for the crews as they show off their **line-throwing skills, and colorful tattoos!**

One mighty tug will win its place on the **Captain Brian A. McAllister perpetual trophy** as we honor all the working boats of New York Harbor.

Which mighty work boat will take first overall and add their name to the trophy? **Join us at 10AM on October 9 to find out!**
